

September 8th Triads

We are going to be starting off the 2010-2011 St. John Brebeuf school year with a new twist. This new twist is called **Triads**. By having only a small number of students in the classroom on the first day of school parents, students and teachers are provided with the opportunity to have introductory time at the beginning of the year. Parents are able to meet the teachers who will be working with their children, ask questions and review expectations. The students have time to unload their belongings and organize themselves, their lockers and desks. The teachers are able to assign lockers, seats, text books etc... Triads also provide our new students with a low stress introduction to their new school. Triads are successfully used in other schools in Winnipeg.

Triad Schedule.
