

# St. John Brebeuf's Birthday Book Program

Dear Parents,

Your child's birthday is a special time, both at home and at school. Classmates and teachers like to share in the celebration too. The **Birthday Book** Program is a wonderful way to celebrate your child's birthday. By donating a book to the St. John Brebeuf School Library in your child's name, you will honour your child on his/her birthday, help teach the joy of giving as well as receiving, and help the library grow as well.

Here is how your child's birthday and gift to the library will be recognized:

A special bookplate in the book will cite your child's name and birth date. There will be monthly birthday celebrations for the children whose birthday falls in that month. The celebrations will take place on the first school day of the month and June, June, and August birthdays on June 1<sup>st</sup>. At that time your child will receive their donated book, and they will be the first one to be able to borrow it. You have two options for selecting a book to donate to the library:

1. You may indicate a specific title for your child by filling out a Birthday Book Form available below or ask at the school library. Return completed form and the cost of the book to the librarian. Mrs. Poirier will buy the title for you.
2. You may shop online from Mrs. Poirier's wish list at Chapters Indigo:  
[www.chaptersindigo.ca](http://www.chaptersindigo.ca)

Go to wish list by first and last name: Patrice Poirier

You can have Chapters ship the book to: St. John Brebeuf School, 605 Renfrew Street, Winnipeg, R3N 1J8. Don't forget to include your child's name on the invoice.

If you are interested in participating in the program or have further questions please contact Mrs. Poirier, Library Technician at 489-2115, ext. 239.
